Edition 3, June 2003

INTRODUCTION

In this edition of the guide we have for the first time included basic information about the days of operation of rail and bus services serving the best of South Hampshire's pubs. Full details of routes and times may be found in the operators' and local authorities' publications, a comprehensive list of which appears below.

NEW RAIL SERVICE

Totton and Romsey are now linked by an hourly South West Trains service via Eastleigh and the new Chandler's Ford station. Services call at all stations on the line and provide easy access (within 1 mile of a station) to ten Good Beer Guide pubs.

ERRORS, OMISSIONS AND CHANGES

Mistakes happen and services change. If you spot an error in this guide or have news of public transport developments in the area, CAMRA Southern Hampshire's public transport representative, Ash Mather, will be pleased to hear from you.

RAIL FARES

The array of fares offered by the rail companies can be bewildering, however counter staff at railway stations will assist you in choosing the ticket appropriate to your requirements, and the knowledge, patience and enthusiasm of staff at major travel centres such as those at Southampton and Winchester rail stations will ensure that even the most complex requirements of the most uninformed customer are likely to be satisfied.

Explorer

Explorer tickets are available from bus company offices and agents; they can be purchased in advance and dated when you wish to travel. Tickets give one day's unlimited travel on most bus services in South Hampshire as well as many bus services of major bus operators in neighbouring counties.

If you wish to include First's Southampton city services in your itinerary, you must purchase your Explorer from one of First Hampshire's offices.

Explorer ticket prices vary; the following prices are a guide only:
adult £5.75; child £2.90; over 60 £4.20; family £11.50

Getaway/Explorer

Tickets may be purchased from drivers of Stagecoach (by whom they are called Explorer), Solent Blue Line and Wilts & Dorset buses. Validity and prices are similar to those of office-bought Explorer tickets but there is no family ticket and they may not be used on First Hampshire services.

First Hampshire

First Hampshire offers area and network day-out tickets that are valid on its services only; these may be bought from drivers.

Solent Blue Line

Besides Explorer Solent Blue Line offers area and network day-out tickets that are valid on its services only; these may be bought from drivers.
